## at a glance

The Buddy Walk® was established by NDSS [www.ndss.org](http://www.ndss.org) in 1995 and has grown to be the world's largest and most recognizable Down syndrome awareness program, with hundreds of local Walks taking place across the US and select international countries. Each year hundreds of thousands of walkers collectively raise funds to support local programs and services as well as national initiatives.

The "Brattleboro Buddy Walk" is a sole proprietorship that supports inclusion for individuals of all abilities. ALL FUNDS and contributions to "The Brattleboro Buddy Walk" are exclusively used to cover the expenses of this annual event and support Special Olympics programs in Windham County.
